

PRIMA CALLS for proposals in the Mediterranean Area

Detalles Convocatoria PRIMA – PRIMA CALL DETAILS

PRIMA is a new Partnership on Research and Innovation in the **Mediterranean Area**
<http://www.prima-med.org>

Through Research Collaborative Projects PRIMA aims to build research and innovation capacities and to develop knowledge and common innovative solutions for **agro-food systems, and water provision in the Mediterranean area to make them sustainable**

The PRIMA Foundation has launched the PRIMA Section 1 and 2 Calls for proposals 2018 of the PRIMA Programme.

Complete details about this call can be found in the next link: <http://prima-med.org/calls-for-proposals/>

PRIMA programme activities will be implemented by as following:

- **CALL SECTION 1:** Action and activities (Research & Innovation Actions (RIA), and Innovation actions (IA), as defined in the General Annexes of H2020) organized, managed and funded by PRIMA Foundation. Topics will be launch on a Two-stage application procedure. The topics will be:

Thematic area: Management of Water

Topic: Water reuse and water desalination for agricultural and food production

More Info: <http://prima-med.org/call-for-proposal/section-1-management-of-water-2018/>

Thematic area: Farming systems

Topic: Improving the sustainability of Mediterranean agro-ecosystems

More info: <http://prima-med.org/call-for-proposal/call-section-1-farming-systems-2018/>

Thematic area: Agro-food value chain

Topic: Implementing innovation in Mediterranean Agro-food chains by smallholders and SMEs

More info: <http://prima-med.org/call-for-proposal/call-section-1-agro-food-value-chain-2018/>

Deadline Section 1:

Stage 1 Pre-proposals - 17th April, 2018 (17:00h CET)

Stage 2 Full proposals - 15th September, 2018 (17:00h CET)

- **CALL SECTION 2- MULTI-TOPIC:** Activities (Research and Innovation Activities (RIA) based on national rules) selected following transnational open and competitive calls for proposals, organized by PRIMA Foundation and funded by the national funding bodies of Participating Countries. In Spain, these funding bodies will be CDTI, Agencia Estatal de Innovación (AEI) and INIA. Topics will be launch on a Two-stage application procedure. The topics will be:

Thematic area 1: Sustainable water management for arid and semi-arid Mediterranean area

Topic 1.1: Water resources availability and quality within catchments and aquifers

Topic 1.2: Sustainable, integrated water management

Topic 1.3: Irrigation technologies and practices
