

EIC PATHFINDER OPEN 2021

DATOS CONVOCATORIA/ CALL DETAILS

Título / Title	HORIZON-EIC-2021-PATHFINDEROPEN-01-01
Objetivo y Características / Aim and Characteristics	<p>Objective: To realise an ambitious vision for radically new technology, with potential to create new markets and/or to address global challenges. EIC Pathfinder Open supports early stage development of such future technologies (e.g. various activities at low Technology Readiness Levels 1-4), based on high-risk/high-gain science-towards-technology breakthrough research (including 'deep-tech'). This research must provide the foundations of the technology you are envisioning.</p> <p>Before applying you should verify that your proposal meets all the following essential characteristics ('Gatekeepers'):</p> <ol style="list-style-type: none"> 1. Convincing long-term vision of a radically new technology that has the potential to have a transformative positive effect to our economy and society 2. Concrete, novel and ambitious science-towards-technology breakthrough, providing advancement towards the envisioned technology. 3. High-risk/high-gain research approach and methodology, with concrete and plausible objectives. <p>Funding: Grants of up to EUR 3 million (open scheme) or more if properly justified.</p> <p>Admissibility and eligibility conditions: This call is open for collaborative research. Your proposal must be submitted by the coordinator, on behalf of a consortium that includes at least three independent legal entities, each one established in a different Member State or Associated Country and with at least one of them established in a Member State. The legal entities may for example be universities, research organisations, SMEs, start-ups, industrial partners or natural persons.</p>
